MACOMB COUNTY CLERK ANNOUNCES SPRING MOBILE OFFICE SCHEDULE

Macomb County Clerk / Register of Deeds Carmella Sabaugh today announced she will continue to provide county clerk services on the road via a "mobile branch office." "This project has been a success for Macomb County residents," said Sabaugh. "I want to continue to make it convenient for the public to get what they need from my offices." Locations include public libraries, municipal buildings and community centers. Sabaugh will be conducting mobile office hours during March and April.

"With limited parking in Mount Clemens, people needing to conduct their business can do so in a convenient location close to their home or place of business," said Sabaugh. "The Clerk's Office still has evening hours every Wednesday until 7:00 p.m. for those who cannot leave work during the day."

Sabaugh plans to personally offer a wide variety of clerk services in her "mobile office," including:

- taking requests for certified copies of vital records, such as birth certificates, military discharges and death certificates
- taking requests for real estate searches and requests for deed copies
- taking requests for public circuit court documents
- accepting applications for a marriage license
- accepting applications for business registrations and renewals
- accepting applications for concealed weapons permits
- accepting applications for civil service commission
- registering people to vote

Sabaugh will bring her mobile office to the following locations:
